MESSAGE FROM YOUR ZONE TEAM...

We are so excited to be your zone team this year! Our visitations with all the clubs are always a blast and we're so excited to hear that every club is well underway with big projects for the season. We hope that you'll all keep us informed of upcoming events so we can share that information with the whole zone, and even the district! We've included in this issue club contact information so that you can communicate more easily with the other clubs in our zone. If your schedules allow, try and visit an event or meeting of another club. A little travelling is always fun! Especially before that dreaded white stuff comes along!

If you have club events, quills or articles you wish to share with the zone or even with the District, please submit them to DG Christine or Larry. We'd love to help you get your word out! Thanks for supporting your zone and for having fun in Kin! You've all got a great year of events planned and we hope to share some of them with you!

Yours in Kin,

DG's Larry & Christine
