

Resolution: District 1 Kin of the Year Award

Intent: To bring District 1 Awards Brochure more in line with the criteria set out by National and to give clear, concise guidelines to allow all clubs an equal footing for awards, and to amalgamate awards, where necessary so that all clubs and individuals are on a level playing field.

Whereas: submissions for District Kin of the Year awards have been declining for a number of years, including a number of years when either one or the other have not been awarded, and

Whereas: National awards are primarily no longer divided between Kinsmen and Kinettes, and this award specifically was changed 10 years ago, and

Whereas: moving forward all newly formed clubs will be designated Kin clubs and therefore will alter the awards submission criteria, and

Whereas: many of the guidelines for the current awards are virtually identical with only minor differences.

Therefore be it resolved that: The District 1 Kinsman of the Year Award and the District 1 Kinette of the Year Award be amalgamated and that one award be given annually, the District 1 Kin of the Year Award, and

Therefore be it further resolved that: the sections currently referencing the two awards be removed and replaced with the following criteria:
