

Use of Surplus Funds Motion:

Motion Past Governor Monika McKean

That we allocate up to \$30,000 from the operating surplus to be returned to the clubs of District One in the form of a dues per person rebate of \$5 each, on dues billings for the following years: 2018/19 (payable June 30th, 2018), 2019/20 (payable June 30th, 2019) and 2020/21 (payable on June 30th, 2020)

Dues billings to include the total per person dues invoice amount shown, less the \$5.00 per person dues rebate amount shown on the invoice.

This will allow a good portion of funds raised within our community to remain in our communities for the three year span of the dues rebate.
