District 1

2016-2017

THANK YOU DISTRICT ONE!

Where do you begin after experiencing such an amazing year?

It is difficult to accurately put into words the gratitude, respect, and admiration that Monika and I have for the membership of this District, but here goes.

To our dedicated, hard working, and exceptional Executive and Council. You came on board from the beginning, believing in our vision of continuity and positivity in all our undertakings and without exception, came through with flying colours. Every interaction and issue was dealt with the utmost respect for all involved with the most positive outcome available as the goal in every case. And we most sincerely thank you for everything you have done and accomplished on behalf of the membership of District One.

The membership of District One are by far some of the most caring, accepting, engaged, and motivated people we have had the pleasure of knowing, working with and honour of calling our friends and Family of Kin. Each one of you in your own way have helped us to grow, learn and find new and different ways to look at situations and issues and strive to find a positive and beneficial outcome for all involved. We thank you for your input, your advice, your concerns, and suggestions; they have gone a long way in making our District a more accepting and pleasant environment to be a part of and bodes well for our future.

The overwhelming support, caring, love and generosity that we have experienced during our journey have created some of the most memorable moments in Kin and life in general; moments that we will have and cherish for ever. I was going to say they have restored my faith in the family of Kin but that is not true because we have never lost the faith in what this remarkable family can do when it comes down to it. So, I would like to rephrase and say it has re-affirmed my belief in what a group of like minded, caring, loving and dedicated group of individuals can accomplish when they put their minds together for the right reasons, for the greater good and being there for those that need us the most.

District One,

Thank you for making this journey such an amazing experience. We have received much more than we can ever hope to give back.

Thank you for everything you have done and are doing and we know all so well, will continue to do, well into the future for your community, this association, and our country.

Thank you for being our friends, and more importantly our Kin Family.

But most of all, thank you for being KIN

With our most heartfelt Respect and Gratitude

Governors District One

2016/17

Monika McKean & Bill Harris

THANK YOU FOR A FABULOUS VICE GOVERNOR YEAR

Vice Governor Debbie Flagg

On behalf of myself, and the Building on the Basics executive, I'd like to take this opportunity to thank the District for being so welcoming to the entire team as we moved through our vice year preparations. From the events we were honoured to be invited to and asked to participate in, to the wonderful business sessions at FLC and Spring Convention, to the late night discussions in the hospitality suites. You've made us feel welcome, and reached out to give us wonderful insight on how you'd like to see the District move forward.

To Governor's Monika and Bill who supported my ideals of Mentorship by taking an inclusive approach, allowing my team to participate in all of the District Council meetings. This has allowed my team to spend this year learning their roles through mentorship. I know my team is not only enthusiastic about taking up the torch on July 1st but are better prepared as result of this amazing opportunity.

We are looking forward to our first "meeting" as a complete council at our DLS and Preterm meeting in June. Please take a few moments and reach out to your Deputy Governors elect with some encouragement as they embark what will hopefully be one of the most amazing years of their Kin careers. We are confident as we look at the list of incoming Deputy Governors that District One can expect amazing things and an amazing year.

We'd like to thank the District for their support in passing both the District Operational and Cystic Fibrosis Service Budgets. Please note that the dues invoices for the 2017 - 2018 year along with the save the date for the Club Leadership Seminar, have been mailed to the clubs and should be in your mailbox / clubs hands shortly. Just a reminder that dues are required to be paid, per our District House Rules, by June 30th, for your club to be in good standing.

Lastly to my team:

CF / Service Directors Bea Crowley & Tim Natyshak, Secretary Elaine Johnston, Co-Ordinator / Treasurer Wendy Rolfe, Communications Director Danni Gresko, Membership Director Dustyn Pumfrey, and Risk Management/ Awards Director Monika McKean, thank you for agreeing to join me on this journey; for your support given and all that I know will be shown in the year to come. You have no idea how much it is appreciated.

Now it's time to buckle up because this ride is about to begin.

It is with great pleasure that I get to introduce the remaining members of the Building on the Basics 2017-2018 Council:

Vice Governors Elect Karen Coutts and Darryl Van Moorsel

AND most importantly...

The Deputy Governors Elect for District One 2016-2017

Yours in Kin

VG Debbie

From the desk of your District Treasurer.....

Wow! Where did that time go? Our Kin year is fast approaching it's end and I hope everyone has enjoyed their year as much as I have. It has been an opportunity and pleasure to work with the District One Executive and Council this year. District One has many outstanding members and this was an amazing group to work with. Thank you for everything that you have done and will continue to do!

As you are approaching the end of the Kin year for your club, please remember that you are responsible to complete a financial statement of all of the Club's accounts for the preceding year ending June 30th and have the statement reviewed. It isn't too early to mark this on your calendar and complete it as soon as you receive your bank statements. It will give you a jump start for your financial reporting for the next Kin year!

Hopefully you can take some time to reflect on your past year and remember why we are a member of this association and volunteer our time. Think of the new friends that you have made in the Kin family, the accomplishments of yourself, your club, District One and our association, the experience that you have gained and the fun along the way.

See you soon!

Yours in Kin,

Barb McArthur

Greetings... District 1 Leaders and Family of Kin

My name is Jean-Marcel (JM) Le Moeligoou and I'm seeking your support in my campaign to be your next National Vice President.

I attended your convention and I would like to thank the Flamborough and Ancaster Kin Clubs for hosting your district's convention. I applaud all of you for making my visit a truly unique experience. Kin is alive and well in D1.

I stand before you today not only as a candidate, but also as your fellow Kin. And like a good fellow Kin, I will be honest with you about the challenges our Association faces. I will do my best to communicate with you and keep you informed.

As Kin, I will also be asking you for your help. No one person has all of the answers or can do all of the work. A chain is only as strong as its weakest link. Together we must be strong and work together to achieve our goals and growth to new heights together.

Among some of the areas to explore for the coming year are:

Retention: An aware, engaged and interdependent (a common vision, rewarding experience and recognition) member is much more likely to renew than one who is not.

Education: Provide up to date tools using current and future technologies for the development of our members and leaders.

Branding: Could we have greater impact if we leveraged our brand in different ways? What makes a stranger looking at the brand on your apparel recognize you as being part of the Kin family?

My vision for our association is one where strong clubs, strong members and strong leaders will allow our association to grow to new heights. New tools have been put in place to help Kin grow. There will be more to come.

As Kin, I believe in you, in this association and I believe in our ability to work together so that every Kin can grow and reach new heights on a personal and professional level.

Fellow Kin, I want to hear from you. jlemoe@hotmail.com or visit my Facebook page [JM LeMoeligoou - NVP Candidate 2017-18](#) and leave a comment.

Yours in Kin,

JM

ZONE C REPORT

Hello everyone, as summer approaches my first year as zone C deputy governor is almost over, where does the time go! It seems like only yesterday I stepped into the role and attended DLS, (District Leadership Training).

I can tell anyone that is thinking of becoming a D.G that it has been a very rewarding and satisfying year, so much so I'm doing it again!

Zone C held its conference on March 12th 2017 hosted by the Stayner Club and hats off to the guys, they did a great job. Attendance was good with all but one club present.

On April 20th 2017 the Meaford Kinsmen hosted an interclub meeting with all zone C Kinsmen clubs, it was a great night and fun was had by all.

All second club visits are complete but one and I will be out to visit Shelburne soon. As always lots on the go in the zone, here is a summary of recent and upcoming events by the clubs.

MEAFORD KINSMEN

Currently sitting at Nine members with a prospect, as mentioned hosted the zone C Kinsmen interclub meeting in April. They are hosting July 1st Canada Day fireworks.

- Thanksgiving weekend they have a toll road.

FLESHERTON KINSMEN

- Second annual Ribfest is on August 26. Great event, live entertainment and free camping.
- Currently running a 50/50 draw.

FEVERSHAM

- Annual heritage day is on April 24th.
- Also running fireworks on July 1st Canada 150 celebrations.
- July 25th hosting annual ball tournament.

STAYNER KINSMEN

- Currently at 37 members
- Hosted this years zone conference
- May 5th annual duck race
- June 17th annual golf tournament
- End of June host beer garden for weekly music in the park until the end of August
- Road cleanup in May
- Last but not least planning and organizing for FLC.
this fall hosting convention in collingwood, more details to come.

Looking forward to fall, there will be a presidents meeting and hopefully a joint meeting with Zone C kinettes on ways to retain and attract new members.

Hope everyone has a safe and fun summer,

Yours in Kin, D.G Scott Tapley

A Cystic Fibrosis Trip to remember....

The Kin Canada produced documentary
"Milk for Britain"
 was awarded two top honours in the prestigious Chatham-Kent film festival.

The documentary took home the award for Best Short Documentary and the Best Original Music Score for a documentary.

Representing filmmakers and Kin Canada as producers was D1 Cystic Fibrosis Service Director Dustyn Pumfrey.

WOW, It's May already. Where has the time gone?

When I started this journey I had great plans like everyone that takes on a new position. You never realize just what is involved until you do the job. Not that I am complaining, I just should have done a little better time management. Mind you my job has never taken up as much of my time as it has this last year.

I have had a fabulous time this year visiting the clubs. I will say that I only have 1 regret from this year and that is not being able to attend as many events and club meetings as I would have liked to. I still plan on trying my best to get to clubs before the year is done.

I so look forward to serving Zone B again next year and also to serving my zone with my Husband Paul as my co deputy governor. I hope that we can get out to a lot of club events.

Our clubs were busy little beavers this year and I am thinking that it will be that way next year. The **Belgrave Kinsmen** held their first ever Ladies night and if the reviews I am seeing on facebook are any indication it was a roaring success. There are quiet a few ladies that are very sorry they missed it (myself included) and there are quiet a few ladies that can't wait until next year. Way to go guys.

I am also hearing very good reviews for the **Fergus Kinsmen** who also held a ladies night, It is not their first so they are old hands at entertaining the ladies and they must be doing something right to have the ladies coming back year after year. Another event that I will have to check out with some of my Kinette sisters.

Speaking of old hands, our **Drayton Kinsmen** held their 36th Farm show and from the facebook pictures it looks that all the attendees had a good time. They also made a special donation to the 14th Drayton Kinsmen music festival. Keep up the good work guys. They say there is no rest for the wicked and it seem to be true of the **Listowel Kinsmen**. No sooner have they recovered from another successful Paddy fest to see them tearing apart their Kin Station. They are the lucky recipients of an Ontario 150 grant to help them make some much needed renovations on their hall. They also took some time to make a 12,500 donation to United Way Perth Huron.

Our lovely Kinettes have also been busy organizing some pretty special events as well. The **Drayton Kinettes** did a fabulous job for valentines day making up baskets that significant others could order for their sweet hearts. I can attest to the beauty of the baskets because I was one of the lucky ladies whose husband saw their post and order her a basket.

SOLD OUT is what I have heard for the last couple of years when I inquire about getting tickets to the **Listowel Kinettes** Ladies night out event. I am hearing around town that a great time was had by all attendees again this year. Maybe next year I ask really early and will be lucky enough to get tickets and won't have to hear they are sold out when I inquire. The **Lucknow Kinettes** apparently had a Hopping good time at Easter entertaining the community with an easter egg hunt. Even tho it was cold and damp they pushed on to entertain.

I hope all the zone B clubs have a fabulous summer and I can't wait to jump in and start planning next year.

Yours in Kin

Lori Schnarr

"Volunteering is the ultimate exercise in democracy. You vote in elections once a year, but when you volunteer, you vote every day about the kind of community you want to live in."

A word cloud centered around the theme of volunteering and community service. The words are arranged in a circular pattern, with 'volunteers' and 'Thank You' being the largest and most prominent. Other words include 'love', 'community', 'celebrate', 'hands on', 'service', 'volunteer', 'change', 'youth group', 'skills program', 'senior', 'connections', 'prosperous', 'difference', 'retired', 'corporate', 'emergency', 'friends', 'action', 'action', 'mission', 'diverse', 'hope', 'build', 'nonprofit', 'communities', 'volunteerism', 'honor', 'compassion', 'society', 'business', 'action', 'service', 'vibrant', 'family', 'thinks', 'heart', 'preparation', 'mission', 'celebrate', 'hands on', 'friends', 'action'.

Three stylized, hand-drawn hearts are arranged in a cluster. The top-left heart is blue, the top-right heart is teal, and the bottom heart is pink. They are all drawn with thick, slightly irregular lines, giving them a soft, affectionate feel.
