

## **Cystic Fibrosis Grace**

Dear Father we thank you.

We thank you for this blessed banquet and for this opportunity to be with family and friends once again committed in the fight against cystic fibrosis.

Dear Father we pray.

We pray that with your guidance and blessing, we will defeat this terrible disease and that one day we will save our children and their families from the suffering, the pain and the anguish for CF.

Dear Father we promise.

We promise to remain true to this cause and to further promote our message to others.

Dear Father we dedicate.

We dedicate ourselves to this fight in your name and in the names of all children past and present who have suffered with CF.

Dear Father we dream.

We dream of a day when there will be no more tears, no more suffering, no more CF.

Dear Father we know.

We know that through your blessing, our prayers, our promises and our dedication that the dream will come true.

And Dear Father, we will give thanks for ever, ever more.

Amen
