ZONE C CLUB CONNECTION

KINETTE CLUB OF COLLINGWOOD HOSTING DISTRICT ONE FALL LEADERSHIP CONFERENCE .. Ya gotta be there ...

The Collingwood Kinettes are excited to be hosting District One once again, for Fall Leadership Conference 2010.

The conference will be held at the Cranberry Resort on November 5, 6 & 7th, 2010. The theme is "Graceland North 2010" and will be a celebration of all things Elvis.

Anyone who is interested in advertising in the FLC brochure or boodle bags can contact Barb McArthur at bamcarthur@rogers.com for more information. AND Michelle Kusiar would be happy to accept your registration forms!!

Governors Norm and Elaine are promising a very interesting slate of seminars for this educational weekend, and the Collingwood girls are promising more fun than you can imagine in the "off hours" of the convention weekend. This is one you don't want to miss.

Registration forms can be found on the District One Website at: <http://www.district1kin.ca/index.php/ZoneC/CollingwoodKinetteClub> Stay tuned to that page for more information.

As well, don't forget the opportunity to win an Elvis Festival Package for the 2011 event in Collingwood by getting your paid registration in by October 1st! See details on the registration form (included in this newsletter).

The Collingwood Kinettes are looking forward to hosting Zone C and the rest of District One this November.

MEAFORD KIN FAMILY HOSTS INCREDIBLE 50TH ANNIVERSARY OF KIN KAMP

The 50th Anniversary of Kin Kamp proved to be second to none.

Kingratulations are going out to the Meaford Kin Family for their excellent organizing, planning and execution of the weekend.

As someone who has been there almost annually for the past 30 years, I can attest to the fact that this was one of the best. And how they got the Weather Gods to co-operate was beyond me!

The dedication of the park to Jim Miller was a moving event, one that both myself and Deputy Governor Rob were honoured to be a part of.

The parade was a wonderful touch of fun to the weekend. Next time, perhaps your flag bearers should have better directional skills; it was fun watching them dart around trying to find the rest of the parade :-)

Everyone seemed to be in a celebratory mood over the weekend which meant that Kin Kamp attendees both young and old, had smiles on their faces and a party in their hearts from start to finish.

Well done all! I can't wait to go back next year and start the second half of the century of Kin Kamp off with a bang.

WELCOME BACK TO ANOTHER KIN YEAR ... DG Monika

Where oh where did that summer go? Am I the only one that feels it blitzed by without a second glance? We sure were blessed with some incredible weather this year, and for that I'm grateful.

Well, summer being over can only mean that the Kin year is back in full swing. I hope each of you had a restful break and are ready to tackle new challenges once again.

Barb, Lisa and Myself are thrilled to be representing you as your Zone Team this year., and we are pleased to be working with Past Governor et al Rob Houle and Director Larry Sheard on the "boys" side of things as well.

To kick off the new Kin year, I've asked each of the Zone's club presidents to send a little bit of a bio and "what my club is up

to" write up so that we can better get to know one another in the zone. I would also like to create a calendar of events to send out monthly to the clubs so that we all know what's going on in Zone C's Kin world and can take the time, should we wish, to visit another club / help with a fundraiser / attend a fundraiser, to show our support of one another this coming year.

The travelling Zone basket "A taste of the Zone" was introduced at the Zone Executive Elect Seminar in Shelburne in July and the Kinette Club of Collingwood grabbed the chance to be the first club to put something into the basket and move it to another club. We certainly do hope that this basket will travel to every club at least once, perhaps multiple times, throughout the year! What better way is

there to get to know your fellow Kin than to travel to meetings or events and take part?

So, please take the time to drop us a note to let us know what's up in your club. As a team, we would like to participate in as many Zone functions as possible and will help wherever we can. And also know that we are at the end of the phone line, or email cyberspace should you have any questions, concerns or suggestions throughout the year.

Thanks to everyone who has contributed to this issue and we hope that you find it entertaining, educational and worth sharing with your fellow Kin.

Until we meet

President Jane "Martha Stewart" Young at Zone Conference 2010

INTRODUCING JANE YOUNG, PRESIDENT, AND THE WASAGA BEACH KINETTES

My name is Jane Young and I am a proud member of the Wasaga Beach Kinette Club. I was born in Owen Sound and lived there until I married in 1969. We then moved to Kitchener for one year and then to our current address in Wasaga Beach in 1970. We have 3 children and 4 grandchildren.

I have been a member of Kin from 1971 or so. I had to take a break when my Husband quit the Collingwood Kinsmen Club. At that time you couldn't be a Kinette if your husband wasn't a Kinsmen. Bob soon realized he missed Kin and joined the Wasaga Beach Kinsmen Club which allowed me to join the Wasaga Beach Kinettes. I have held most positions in the club. I was honoured with a Life Membership in 2002.

My goals for the upcoming Kinette Year are to have fun and learn more about Kinettes. I believe education in anything is very important and makes a healthy club.

Our Club has been quiet over the summer except for the two Blood Donor Clinics we help man during the summer months.

In October we will be having our General Meeting at the Collingwood General Hospital. We will be having a tour and learning more about our local hospital. We are always super busy in the fall. We cater the Remembrance Day Service at the Beach, cater the Mayors Reception, do a Fall Box Lunch and also have our Major Fundraising event, our Kinette Christmas House Tour.

This year it is being held on the November 13th-14th wk. It involves the whole club and we usually have over 700 people tour the homes and visit our Tea Room and the Artisans at the Rec-Plex Centre. With monies raised from this event we have added bleachers to our Sport Park, lights at the tennis courts, planted trees and added benches and they are in the process of adding a sitting area and trees to the front of our Rec Plex Centre. This we are doing in conjunction with the Wasaga Beach Kinsmen Club. Unfortunately the Kinsmen have folded their club but had some monies and we felt this would be an appropriate way to recognize the Kin Club in Wasaga Beach.

INTRODUCING KATHY URAM, PRESIDENT, AND THE BEAVER VALLEY KINETTES

Hmmm... a little bit about myself.

I am married with 3 wonderful children, 2 wonderful grandchildren and 2 great dogs. I have lived in Clarksburg/Thornbury my whole life and have been a Financial Advisor with TD Canada Trust in Thornbury for 36 years.

I love to camp and have my trailer parked as a seasonal on the Rocky Saugeen River between Hanover and

Durham.

I have been a Kin wife for 28 years and 6 years ago joined the Beaver Valley Kinettes.

Our goals this year are to increase membership, raise some money and have fun! We have been a little slow during the summer however some of the club did manage to make it to Kin Kamp this year. We are also catering a wedding on August 28th, doing the

meal and the bar.

Taking place in the next few months we have The Beaver Valley Fall Fair in September where we run a penny carnival, The Pancake Breakfast on Thanksgiving weekend at which we normally feed around 150 people pancakes and sausages. December we have our Small Business Christmas dinner slated for mid month.

Pres. Kathy says she prefers to remain incognito ...

INTRODUCING MICHELLE KUSIAR, PRESIDENT, AND THE COLLINGWOOD KINETTES

Name	Michelle Kusiar (AKA Federer)	Personal Story
Age	Celebrating my 3rd Annual 35 th birthday on Sept 18 th	<p>What can I tell you about myself... I require high energy activities to keep me going. I like to be busy, yet still have time for my family and friends. I thoroughly enjoy working in Special Events.</p> <p>My life with KIN began at the wee age of 5 (I think). My father is a life member of the Beaver Valley Kinsmen. My mother is a past Beaver Valley Kinette. My Aunt and Uncle are life members of the Collingwood clubs. SO, needless to say, I attended many KIN functions throughout my childhood. I knew that when the time came for me to join a service club, that KIN Canada was the association for me. I have been a member of the Kinette Club of Collingwood for 5 years now. I began attending meetings when I was pregnant with Ciara. I joined after she was born. I have been a part of club, zone and district executives holding positions such as Bulletin Editor, Zone Treasurer/Secretary, and District Treasurer. I have learned many things in the last 5 years and look forward to continuing to learn new things and acquire more skills.</p> <p>I am looking forward to a new year and new ideas. Let's be sure to all pitch in when needed!</p> <p>Cheers</p> <p>MOTTO: We're here for a good time, not a long time. ENJOY LIFE!</p>
Gender	Let me check, yep still female	
Education	DUH, UM, Oh right college (lots of drinking)	
Occupation	I work for the Department of Fun in the Town of Collingwood. My job title is Manager, Arts, Culture, Information Services and Special Events (and breath...)	
Area of residence	Collingwood	
Income	Not enough	
Home life	Good, busy, fun, exciting, tiring...	
Hobbies and recreation	LOTS!! Scrapbooking (when I can), skiing, snowboarding, rollerblading, hiking, skating, biking, reading	
Personal attributes (as portrayed from others)	Active, ambitious, broad-minded, calm, competent, cheerful, communicative, energetic, enthusiastic, friendly, honest, kind, loyal, opportunistic, outgoing, positive, productive, sensitive, sympathetic, team player, trustworthy, understanding, warm, well organized, works well under pressure	

President Michelle, looking like she's up to something
... no... not Michelle

The wonderful ladies in my club have had a fun summer. We had a great showing at Kin Kamp this year and carried on the tradition of hosting a Scavenger Hunt for the kiddies. As recently as August 14th, we hosted our 2nd annual Golf Tournament. The weather held off long enough this year for all those who participated to finish their rounds and enjoy a delicious meal. Fun was had by all.

For the 2010—2011 we are expecting a fun-filled year. DG Monika is very excited that she is now the Past President of our club (as she was in the position for a LLOONNGGG time!) The ladies and I will be taking off the 2nd week of September for a Mystery Weekend (no I won't even give you any ideas) which I am really looking forward to the bonding time.

My goal with the club is to retain our membership and watch it grow! I believe that keeping meetings fun and informative helps bring our members out. I'm also looking forward to staying involved in the community and continuing our wonderful PR that has been building momentum over the last couple of years.

Wishing everyone an exciting, fulfilling year of Kin!

INTRODUCING LISA BURECHAILS, CF / SERVICE DIRECTOR 2010-2011

So here we are into another Kin year! Where does the time fly? Our two children, Lauren (21) and Kyle (17) are at Seneca and Brock respectively this year, so Cameron and I are experiencing the empty nest syndrome. Yahoo! I can finally have my car back, and when I leave left over's in the fridge, they will be there the next day.

When Life Member Monika asked me to be part of her Zone Team, I was honored to take the role as CF/Service Director. I have been a Kinette for over 8 years, holding many positions within my own club, Beaver Valley, and in 2008/09 I had the great opportunity to step outside my club and serve as Deputy Governor for Zone C. I enjoyed my time immensely, so jumped at the chance to not only be part of the Zone team again, but to work with Monika and Barb.

This year's District CF goal is to have every club partnered up with

either a CF person in the community or a local chapter. By putting a face with the cause, this will help your club raise awareness in your own local area.

Do you have current CF supplies? Please make sure that the boxes found in your community are the latest from CF Supplies. When the Zone Team attends your meetings, I will have some supplies with me, or you can place an order directly from CCFF at 1 800 378-2233 ext 240, or by email at jbalaban@cysticfibrosis.ca. Our contact at CCFF is Jason Balaban.

When was the last time your Club participated in a project and no money was raised – on purpose! As Kinettes, we are here to serve the Community's Greatest Needs, and often times this is something as simple as providing an afternoon tea at the Seniors Centre, or washing windows at the elderly couple's house down the street. There are many different types of

Service Projects that your Club can perform, for ideas, check out the District & National Website. Remember to keep track of all your service hours and take lots of pictures for your scrapbook. Also remember that the Myrtle Wilson Award is for a service project.

Lastly, I'd like to leave you with a quote from Mitch Albom, author of "Tuesdays with Morrie". I think it reflects the life of Kin quite nicely.

"So many people walk around with a meaningless life. They seem half-asleep, even when they're busy doing things they think are important. This is because they're chasing the wrong things. The way you get meaning into your life is to devote yourself to loving others, devote yourself to your community around you and devote yourself to creating something that gives you purpose and meaning."

CF / Service Director Lisa enjoying birthday cake without fork!!!!

INTRODUCING CHRISTINE SOMAIA, PRESIDENT, AND THE MEAFORD KINETTES

President:

Christine Somaia, formerly Cooper

Years in Kin: 8

Positions held: Club President (x2), Deputy Governor (x2), District Rookie of the Year 2003
Nick names: "the other Chris (Meaford girls)", "mini cooper"

Home town: Owen Sound, Ontario & Kampala, Uganda

Occupation: Elementary school French and music teacher

Current Hobbies: learning how to be a proper Indian wife, re-

establishing myself in Canadian climate & how to cook proper African / Indian food (without burning my tongue).

Our Meaford club of fabulous ladies have successfully completed hosting with the Kinsmen the 50th anniversary of Kin Kamp. I wish I could have been there but from the pictures I've seen and stories I've heard already, I know it was the best yet! Thank you to each club in Zone C for supporting the girls and hopefully you all had a blast this summer with them!

Kingratulations Christine and Devon

INTRODUCING BARB McARTHUR, MEMBERSHIP & AWARDS DIRECTOR 2010/11

I joined the Kinette Club of Collingwood in 1992 after the Collingwood Kin families hosted Spring Convention "Out of the Blue '92" and I witnessed the Sunday evening celebrations. It was so much fun that I knew immediately that I wanted to be part of the Kin family!

Over the last 18 years, I have held many club positions (some more than once) including Director, President, Secretary,

Treasurer, Membership Director, and Bulletin Editor. My achievements include Maple Leaf Award, Founder's Award, Kinette of the Year and the Kinette Puff. Also, I have been involved with the Kinette Club of Collingwood achieving many awards including Zone, District & National Senior Bulletin Award; Zone & District Kevin Denbok Cystic Fibrosis Award; District & National Public Relations Award to name a few.

After enjoying the position of Zone Membership Director a few years ago, I decided to join the Zone C team again this year. I am looking forward to travelling to the clubs in our zone and assisting when I can with any of your membership issues and encouraging submissions for awards at all levels of Kin.

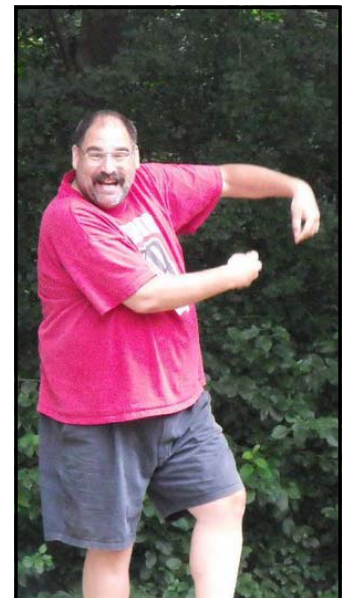

Membership / Awards Director Barb, enjoying cake WITH a fork!

INTRODUCING ROB HOULE, DEPUTY GOVERNOR ZONE C, 2010-2011

Hi my name is Rob Houle and I have been elected as your Deputy Governor this year. Helping me out will be Larry Sheard. Well, the summer is coming to a close and the Zone team is gearing up for a busy year. Was it really two months ago when the Shelburne Kinsmen hosted the Executive Elect Seminar and now the Zone Team is putting on the kilometres traveling to installations. Larry and I hope to see you soon at a meeting near you!! We certainly hope that everyone had a safe and relaxing summer. The Meaford Kin Clubs put on an amazing 50th anniversary Kin Kamp.

The Collingwood Kinettes are hosting Fall Leadership Conference this year, so there isn't any reason not to attend. There are already a number of exciting events planned in our zone; some of them will be zone sanctioned events that will count for awards and attendance purposes. Please mark them on your calendar, and get out and support our fellow Kin in their fundraising efforts. If you have a function you would like us to attend please let us know early, so that as many of us who are able can attend, the more the merrier. We plan to make every effort possible to attend as

many club functions as we can, and of course we will see you all at club visitations. On the opposite side of that we encourage you to attend all Zone functions and interclub's. Please remember this is your newsletter. If there is anything you would like the Zone to know about just drop us a line and we will be sure to include it. Please forward any and all notices of upcoming events don't wait for someone else to do it; we would rather have five notices of the same event than none at all. Any suggestions for future content would also be greatly appreciated. Now on with the show...

Deputy Governor Rob showing off his muscles.

INTRODUCING ODETTE HOULE, PRESIDENT, AND THE SHELBURNE KINETTES

When Deputy Governor Monika asked that we write a report on who we are and where we are going I thought how can I make this interesting and fun. So here is my small attempt at humour and information all rolled into one. I can tell you it has been interesting trying to get this done on time. We have had a freakish storm and almost lost the patio umbrella, half a tree blew down, and had to chase the neighbours cows back off the highway, all this and try to write an interesting report. Life is never dull.

First a small background on me. I was raised in a small farming community. Moved to the big city of Brampton when I was just 19 (to me Brampton was huge), and met my wonderful and charming hubby Rob there. We were married in 1986, coming up on the big 25th anniversary. We moved to Flesherton six months after we were married. I was a country girl and there was no way we were raising children in the big city, besides you can't have farm animals in an apartment. Rob had some adjusting to do, he was used to city life, and there just aren't the amenities in the country that there are in the city, no car, no busses, no taxi, no pizza delivery, no movies, no nothing really except snow and the cows next door. We have been there ever since and raised two great kids, Joshua and Kayla. Both are well versed in Kin and belong to the Shelburne clubs. Rob and I are both Developmental Service Workers in Flesherton. I have been in Kin since 1996 and belong to the Shelburne Kinetite Club. Over the

past 14 years I have held many club executive positions and been on the district council numerous times, I am currently incoming President.

Now for the club:

Shelburne Kinettes added three new members this past June and one student member is now a full member, so we are growing!!! With the new members came new ideas and the club was very busy this past summer with 4 new events. Worm charming was one of them; you'll have to ask one of us for details, lots of fun and successful too. Under Past President Carol's superb organization we were able to make it through yet another "Fiddle" weekend. Good thing the BBQ is portable or we wouldn't have been able to participate in some of those interesting events. But I do think after September the Kinettes probably don't want to see another hamburger for awhile.

Plans for the fall include another BBQ at the fall fair, our second annual catalogue party, regular updates on the District website, a corn roast social, and our mystery weekend in October. We have changed our annual weekend to the fall for the past three years as this seems to work better for our members. So many are busy with summer plans, farming, and of course families and work, in June that it just wasn't feasible to continue to host it at the end of our Kin year. So now we start the year off right with a weekend away and lots of fun too.

This year at meetings we are attempting to save the business for the executive meetings and just have fun at our general meetings. Any ideas for a fun night, let me know, the ladies are open to try new things. We will be hosting our annual Fantasia party this fall with a new hostess, so we hope to see you there. Lots of door prizes and lots of fun too, details to follow on the District website and we will be sending out invitations. The club also continues to have an excellent Nevada account which enables us to donate to the community more often. We still sell Regal products, so if you need anything drop us a line and we'll get you a catalogue. This year we have tried something different and are partnering with the Collingwood Kinettes in their annual cookbook. I can't wait until they are published; the ladies have passed along some yummy recipes.

Well that's about it for now, don't want to make the report too long-winded and go into too many details. We hope to get out and visit our fellow Kinettes in the Zone and hope they will return the favour and come see us. Don't forget Fall Leadership Conference right in our backyard in Collingwood. I for one will be in attendance, guess I have to as the District Coordinator, but I hope to encourage my fellow club members and those in the Zone to get out there and support the Collingwood Kinettes by attending. Hope to see you there.

"I'm not a morning person" President Odette

MEAFORD LOVES A PARADE ...

KINETTE CLUB OF COLLINGWOOD SECOND ANNUAL CHARITY GOLF TOURNAMENT, submitted by Barb McArthur

The Kinetite Club of Collingwood held their second annual charity golf tournament on Saturday August 14th at scenic Duntroon Highlands Golf Club.

56 golfers from as far away as St. Thomas, took to the links with a shotgun start at one p.m. Despite earlier weather worries during the week, the rain held off for the most part with just a short sprinkling to cool off the participants mid day.

Organizers Darlene Weir and Jan Ashton were very pleased with the support from local businesses with donations of prizes and silent auction items, and as well the response from both return and new participants was exciting.

Approximately \$3,100 was raised from the event which will assist the Collingwood Kinettes to support numerous community endeavors

throughout the upcoming year. Look for the return of this golf tournament next year for the Third Annual ...

KIN EDUCATION ...

Each issue of the Club Connection will have an educational aspect. For this first issue, since you are all just starting out your year and all of your planning, we've included a copy of time management skills. This is one of the most important areas for you to address BEFORE you get yourself bogged down and overwhelmed with your year.

Many people refer to time as a resource; something that lies ready for use or that can be drawn upon for aid. Time fits this definition. Begin to accept time as your most important resource. It is a tool that can be utilized to help you accomplish tasks, an aid that can take care of a need, or an assistant in solving problems.

However, time is not like other resources because you can't buy it, sell it, rent it, steal it, borrow it, lend it, store it, multiply it, manufacture it, or change it. All you can do is spend it. The quality of this resource depends on how well you use it. People get things done because they have learned to effectively manage their time. As a volunteer, how well you manage your time will determine how successful you are in your Kin activities.

Ten Timely Tips

1. Respect time by not wasting it.
2. Analyze and budget your time. Note the time you need to accomplish what you want to do, then budget the time necessary based on all factors, including your own ability.
3. Be an early bird. Get to the office or job ahead of the gang, and then do the things you don't like to do first.
4. Compose a single "to do" list, prioritizing everything you have to do. Finish the first item before you go on to the second.
5. Make appointments. Schedule meetings, luncheons, etc., for specific times. Don't just say, "I'll drop by tomorrow."
6. Use the telephone properly. Prepare for each call by listing all the points you want to cover during your conversation. Keep your calls brief by staying on topic.
7. Use a pocket calendar, updating it daily and reviewing it weekly. Include in it all appointments, deadlines, commitments, and dates of your club meeting nights, zone and district meetings.
8. Start your own personal filing system for daily use. If you don't have a file box, use a cardboard box.
9. Have a follow-up file, a system that handles any assignments, promises and commitment to be fulfilled at a future date.
10. Whenever ideas pop into your mind, write them down. A 3"x5" card is good for this purpose. Review these ideas at least once a month.

***Time management is not simply a set of gimmicks. It is a way of living and working.
It's the realization that we're each responsible for our own results.***

CLUB PRESIDENT REMINDERS ...

Here is a mini list of “to-do’s” that need to be addressed over the course of September and October.

1. Audited financial statements need to be in the hands of your DG and District Treasurer by October 31st.
2. Club installations should be complete.
3. Copy of first page of incorporation forms AND your insurance paperwork, must be given to your DG for forwarding to National Headquarters or your insurance will be null and void.
4. Dues payments to Zone and District must be paid to keep you in Good Standing. Make sure

to get that late invoice paid by end of September to maintain your Master Club status.

5. Club President registrations to FLC should be in the mail.
6. Club budgets for 2010—2011 year should be created and passed and a copy forwarded to your DG for their files.
7. Review your club roster and make certain that all up to date mailing and contact information for your members is recorded at National Headquarters by September 30th.
8. Plan your first club social and enjoy yourselves!!!

ZONE HAPPENINGS ...

- Installations are happening! If you haven’t booked your installation date, contact your DG right away.
- Check out the Beaver Valley Kinettes at their annual Fall Fair in September where they are hosting a penny carnival.
- OR .. Indulge in a pancake breakfast served by those same Kinettes on Thanksgiving weekend.
- Both Collingwood Kinettes (in September) and the Shelburne Kinettes (in October) are heading on their Mystery Weekends. Look here for hints and stories in upcoming editions as to where they went on their travels.
- Shelburne Kinettes are hosting their annual book party .. More information to come.
- Collingwood Kinettes are hoping that Zone C has a stupendous showing at the upcoming FLC being hosted by Collingwood at Cranberry Inn November 5-7th. BE THERE ...
- Collingwood Kinettes have also booked their second annual One Stop Christmas Shop for Friday November 26th, more details to follow.
- AND the first Zone C Sanctioned event will be the annual Collingwood Kinette Craft Auction on November 18th.
- The Wasaga Beach Kinettes are hosting their annual Kinette Christmas House Tour November 13th and 14th. You simply MUST take part in this exceptional event.

To have your event listed in Zone Happenings or on the Zone Calendar, just drop editor Monika a note.

ZONE C GOALS, 2010-2011

WHAT? *Encourage Fun and Fellowship amongst the clubs*

HOW? We want to promote travel, joint meetings, joint socials and supporting other clubs with their fundraising and service work. Many of the clubs have big projects that they cannot man alone...this is a perfect opportunity to help fellow Kin while having fun and fellowship at the same time.

WHAT? *Ensure that Education is a priority with the clubs this year. Provide as much information in an easy to access format as possible.*

HOW? All the Presidents have been given a disk of information for their use during the year. This disk will contain much of the need to know items that can be found in the President's Manual, but in electronic format, can be used to insert in the club bulletin, forward to your various committee chair persons or just to have on hand to cut and paste into information you wish to circulate to the club.

WHAT? *Have at least one representative from each club attend Zone Meetings and Zone Conference*

HOW? It doesn't always have to be the President....even if the president can't attend, let's get the rest of the club members enthused and travelling to these events. The information that is available at these events will only benefit you and your members if it's obtained.

WHAT? *Encourage submissions for each and every Zone Award that is available*

HOW? If we hear of a project that has been run in the zone, we'll forward the award paperwork to the chair. If we know of a Kin member who has outdone themselves for their club and community, we'll forward the paperwork for Kinsmen / Kinette of the Year. We want you to follow up on the opportunities and we'll give you the paperwork and help you fill it out. That's all it takes!

WHAT? *Encourage clubs to focus on one new SERVICE project for the year.*

HOW? Help the clubs to find one "service" project, NOT a money maker that will help better their community. National is compiling a list of project ideas from across the country, and hopefully every one of the clubs in Zone C will find one that will fit their area.

WE ARE ON THE HUNT

For a host club for the Fall Zone C meeting to be held late September to mid October.

If your club would like to host the zone for this meeting, please contact DG Monika or DG Rob and let us know what works for you!

This will be a week night meeting, munchies need only be provided.

More information is available for interested clubs.

Zone C is on the web!

Look for our webpage at:

<http://www.district1kin.ca/index.php/ZoneC/Index>

Follow us as well on Facebook

Please submit information to be posted to your clubs' web page on the District1kin website to DG Monika. This is a great opportunity to advertise your club .. USE IT!!!
