Message from our DG

What's up Brandon?

I hope everyone is enjoying being back together and have had a great start to our Kin year.

I have had the opportunity to visit almost all of the clubs in our zone, and I plan on doing a second round of visitations early in the new year.

Don't forget to get out from your own club as well and go visit another club in the zone.

I am happy to see so many of our clubs being active in the community and doing such great things like Christmas parades, food bank collections, etc.

Great job everyone in Zone C and keep up the good work.

Have a safe and happy Christmas and Happy New Year!

DG Brandon

Shout out to the Wasaga Beach Kinettes!

Big shout out to the Kinettes in Wasaga Beach for the successful toy drive they hosted on December 11th. This amazing event helped over 300 children locally have presents to open this holiday season. Way to go!

Stayner Kinsmen CF Toll

WOWZA Stayner Kinsmen!! They raised a whopping \$11,000+ at their CF Toll Road on October 30th. Amazing!

Don't be shy! Get some recognition for your club's hard work!

Hello Fellow Kin and welcome to another different but sure to be an exciting Kin year for you, your fellow members and clubs within the Zone. Once again, I will be your Awards Director for this Kin year for the Zone.

Last year we unfortunately had to close off the Zone awards due to the pandemic restrictions but I am happy to announce the return of our Zone awards Joke Off & Rookie of the Year. I am also excited to introduce a new award to the Zone this year. The Traveling Gong Show Award. I'm sure this award will have each club excited to participate in. More details about this award will soon follow in postings to come.

I would like to encourage all of you to head on over to your iKin accounts and the District One page and review the many Awards you, your fellow members and your clubs can qualify for. I look forward to an exciting and rewarding year with all of you.

What is the Travelling Gong Show Award you ask?

Introducing Zone C's newest award, The Traveling Gong Show Award!

This award is meant to encourage clubs to get out and visit with other clubs within the Zone. To attend each other's meetings/events. By the end of your visit you may experience a 'Gong Show' of comradery and a chance to learn a little more from one another.

For more information about this fun award, please seek out your executive members for more details.

Please be mindful when visiting clubs by adhering to all protocol measures set in by the Provincial Government and area/property regulation mandates.

Message from the Collingwood & District Kinsmen Club

The 2021 / 2022 KIN year marks three years for the Collingwood and District Kinsmen Club serving their Community's Greatest Needs. In the club's tenure in town since 2018, the club has been very active with such projects like roadside clean ups, supporting local outreach programs and partnering up with local programs to run events where pandemic parameters allow us to do so to raise funds for Cystic Fibrosis.

The club has been quite successful with our bottle drives that we have been able to operate throughout these troublesome pandemic times to support our community where needed the most.

The Town of Collingwood wanted to show its appreciation through its 'Light up the Town' program by lighting up the town hall clock tower Red & White in appreciation for all the work and dedication the club has put in since its inauguration.

Our club is very honored to be recognized by our town and by our community in this unique manner.

The Collingwood and District Kinsmen Club wishes to thank everyone in our community and surrounding areas for all their love and support they have given us over the last few years.
