# Your Zone C Deputy Governor!

Zone C Reporter Mikey interviews Zone C Deputy Governor Brandon Ward

**Do you have any nicknames?**

No nicknames.

**When you were a child, what did you want to be when you get up?**

When I was little, I knew I wanted to grow up helping others. Police officer was my first goal, but things changed over time and decided to go into construction as a career and help others by volunteering in my spare time.

**What is your favourite hobby?**

Woodworking or reading.

**Tell us about your family**

I have been in a relationship for the past few years with a childhood friend. We have a cat and dog for pets. I grew up in Collingwood with my mother and brother who both still reside in the town.

**What brought you to Kin Canada?**

No I only learned of the Kin organization in 2017 when my neighbour Bill Roskar invited me out to a meeting, and I was instantly hooked. I've now been a proud member for almost 4 years with the Stayner club.

**What's your home club?**

Stayner Kinsmen

**When you joined, did you ever see yourself being a part of a Zone?**

When I joined I was immediately involved within the zone, spending my 1st year visiting clubs with Past DG Bill Roskar and past Governor Scott Tapley. My 2nd year, I wanted to continue building relationships with zone clubs and took on the role as Zone Treasurer. Now my 3rd and 4th years have had me taking the role as Deputy Governor and I've loved making

friendships with members from all my zone clubs, as well as being involved with many other clubs across district 1.

**What would be your ultimate achievement as Deputy Governor?**

My ultimate achievement as DG so far would be taking part in Chartering the Collingwood Kinsmen club.

But I know I will have many more achievements as I continue my Kin path and move forward into other roles within the club/zone/ and district levels.

**Anything else you would like to share with Zone C members?**

I'd like to add that I will be seeking a replacement DG for the 2022/2023 year as I will be taking the role as District 1 Service Director.
