## **What's Happening**

Once again, the Stayner Kinsmen Club is getting ready for its annual Cystic Fibrosis Night. We invite you all to come enjoy a night of fun and fellowship. We've already begun receiving some great auction items and we have a great night in store. Look forward to seeing you all there.

## **Hal Rogers Endowment Fund (HREF)**

Check out this course to learn more about the Hal Rogers Endowment Fund and its program, Kin Canada Bursaries.

This short course outlines the application and scoring process and shares the impact the program has made on young Canadians.

Check it out today [www.kin-u.ca](http://www.kin-u.ca) to learn more about this fantastic Kin-led program!

Have you or someone you know been impacted by the work of a Kinsmen, Kinette, or Kin club in your community?

Maybe your kids learned to swim in a Kin pool.

Perhaps you received a holiday hamper that saved a Christmas that wouldn't happen otherwise. Or you were able to purchase desperately needed equipment for your organization. No matter how your local club has impacted your life, we want to hear from you!

## **KINDness Day**

There are many things you and your club can do to celebrate National Day of KINDness!

It doesn't have to be a big event. It can be something inexpensive or free like scraping neighbours windshields or taking an hour to visit or play games with seniors in a senior's residence.

Meaford Kinettes are doing two KINDness Day activities to celebrate 100 years of KIN. They are having free skate with beverage and treats for the kids, and they are also going to the nursing home with music and hand out coffee and tea to all the residents.

What are you doing for KINDness day? Have you sent in your proclamation to your municipality for Founders Day? Lets celebrate our 100 years of serving the community's greatest need.

## **GOVERNORS RECOGNITION AWARDS**

The We Are One team want to be able to recognize the outstanding work and commitment of the members of this great District.

From July 1 to February 15, we want YOU to nominate your fellow Kin to be recognized for their efforts. From hosting a social, to being on an executive for the first time (or for long standing service), someone who is brand new and keen, someone who is the backbone of the club.

There are many, many reasons to nominate and we cannot wait to get to know our members.

All those nominated will be recognized at Zone Conferences by a member of the
