July-August 2019

Club Executives

Congratulations to all those who are on their club executives this year. The year ahead will be challenging and very rewarding for you. Whether you have done this before or this is your first time, there is always something new to learn. Please take the time to join us at the Club Leadership Seminar on September 28, 2019. This year it will be held in Palmerston. It is open to all members of your club, so get a group together and come on down. Not only will you be learning new things you will benefit from talking to other members and sharing ideas. Besides, it is fun too. There is an informational flyer that was sent out for you which I will be resending as a reminder.

Listed below are the club presidents for this year as well as meeting times and places. Please contact them for more information on their club's events, and plan to attend their projects. Why not go visit them for a meeting? It is always fun to get together with other clubs and share in the fellowship.
