Governors Message

2019 FLC in Grand Bend is coming up, we have been furiously planning the day, are super excited about our presenters and eager to see how many 80's rock costumes are on display. We have 2 clubs vying for the FLC 2020 host job-it will be a treat to see what they come up with.

Your DGs have been contacting you to get out to your clubs to see you to share the information they have and see if they can help in any way. Please remember that they are spending extra time away from their families so that they can ensure that their respective zones are successful in all they do. So let us welcome them with open hearts!

Governors Scott & Francine

Remembrance Day

Many of our clubs participate in Remembrance Day, whether its attending a service, laying a wreath, catering the lunch after the cenotaph, or selling poppies. Our veterans are closer than you think, they are our friends, our family, our neighbours, some are even Kin. Even if your club doesn't participate I hope that you will take the time on Remembrance Day to be thankful for all those that have given of themselves for our freedom.

What's Happening

So far I haven't heard from you regarding what you would like in the newsletter. So that either means you are happy with the information that is included or you aren't reading my newsletter. I hope it is the former and not the latter. Remember this is your newsletter and in order to make it more personal I need to know "What's Happening" in your club. So please, please, send me anything, a picture with caption, a small blurb about a club member, information on your meetings, an interclub invite, anything at all. I look forward to hearing from you.

Yours In Kin
Odette

Fall Leadership Conference

The countdown is on. FLC is just days away. The hotel is sold out, the AD forms are submitted, and Zone C is ready to learn and have fun. The guest speakers will be informative and there will be something for everyone to learn and take back to their clubs. If you can't make it for the weekend be sure to join us for the day. Hope to see you there.

ZONE KINECTIONS

Christmas Wishes

As we approach the holidays I would like to wish you the best of the season. It is such a busy time of year for our clubs and our families. Remember to take the time for friends and family this year. Reach out to those you miss, visit with those you hold dear, and take time to rejuvenate your spirit. Share some time with those that are shut in or less fortunate, donate to a toy drive, go caroling, do what makes you feel good.

From our house to yours, Merry Christmas and all the Blessings of the Season

GOVERNORS RECOGNITION AWARDS

The We Are One team want to be able to recognize the outstanding work and commitment of the members of this great District.

From July 1 to February 15, we want YOU to nominate your fellow Kin to be recognized for their efforts. From hosting a social, to being on an executive for the first time (or for long standing service), someone who is brand new and keen, someone who is the backbone of the club.

There are many, many reasons to nominate and we cannot wait to get to know our members.

All those nominated will be recognized at Zone Conferences by a member of the We Are One Executive Team.

So keep an eye, and notes. We want to be overwhelmed with recognition in this our celebration year

100 years—It's Getting Closer

We're turning 100 and we have a lot to celebrate and share! How will your club celebrate our 100th year as KIN

National Initiatives

Join your fellow Kin in a Canada-wide flag raising/proclamation ceremony on February 20, 2020! Consider doing a National Day of KINDness initiative following your flag raising ceremony to engage your municipal officials, the media, and your community!

All clubs will receive a package in the mail in early-to mid-November with a special centennial flag, a proclamation form, and a toolkit with everything you need to know. If you do not receive your package by the end of November, please contact Carmen Preston.

Be sure to contact your municipality as soon as possible to request a proclamation of Kin Canada Day and Kin Canada Week in your community! Many municipalities require a few months notice in order to approve proclamation requests.

GOING ONCE...
GOING TWICE...
DON'T MISS IT!!!!

Hosted by the Collingwood Kinettes,
you are invited to our annual
