Projects

Have a project that your club specializes in? Have a project you'd like to try but aren't sure how to go about it? Want to add something to an existing project? Want to support the clubs in our Zone? Want to see what works in other communities? Does any of this sound interesting to you? If so, let's brainstorm. We have some great projects and events in this Zone and we need to promote and share them with our fellow club members. Below is a list of projects and events that the clubs in our Zone run or participate in. I know there are some I am missing so please feel free to let me know what your club is doing. Why not stop in and visit the club and find out what they are doing.

What's Happening

This is your newsletter and in order to make it more personal I need to know "What's Happening" in your club. Please send me anything, a picture with caption, a small blurb about a club member, information on your meetings, an interclub invite, anything at all. I look forward to hearing from you.

YOU NAILED IT!!

The We Are One team want to recognize your club and your commitment to meeting your obligations to District and National.

YOU NAILED IT!!

Is a recognition award with a bonus!

To win simply do the following:

- * submit your District dues by July 15th in full (this is a 15 day grace period to our house rules)
- * send at least one member of your club who is not on zone or district council, to Club Leadership Seminar on September 28th
- * comply with ALL National requirements by November 15th
- * T2 completed and proof provided to National by December 31st
- * final national dues payment made by March 31st

THAT'S IT!! All clubs that comply will be entered into a draw made at Spring Convention for \$200 toward their following years' dues.

100 years

We're turning 100 and we have a lot to celebrate and share! How will your club celebrate our 100th year as KIN

National Initiatives

As part of the celebration, there will be commemorative items available for purchase. Let us know what you'd like to see by completing the survey that is posted on iKin. A Kin Book will be available as part of the commemorative items and will feature stories and photos from the last 100 years! If you have stories and photos that you would like the committee to consider including, please send them to 2020@kincanada.ca

Centennial Documentary. Fundraising for a 15 minute documentary and several 90 second promotional videos is currently underway. All clubs will receive an email with an online pledge form and more information about the project. Your support is greatly appreciated as this project will produce valuable marketing tools for all clubs to use for many years to come.

Stamp and Coin. We have submitted proposals to Canada Post and the Royal Canadian Mint for a stamp and coin and are awaiting their decisions.

Our 100th National Convention will be one you don't want to miss! It will feature an additional day for a Kin Reunion so past Kin can reconnect and share in our celebration.

Questions or Ideas? If you have any questions for the committee or ideas you'd like to share, contact us at 2020@kincanada.ca! Stay tuned for updates on these initiatives and others
